6d

## Instructions:

1. Select the answer file (1). The content of the file will appear in (1a). The default question location file will be loaded automatically and its content will appear in (2b). The score file name (1b) and content (1c) will appear.
2. If the default question location file does not work well, you can select 頁 another location file from the computer (2).
3. Select Pages 1 to 3. Boxes (3a to 3c) will be filled. The selected pages can be viewed by pressing the buttons on the right side.
4. Press [Mark Paper] (6) to mark the pages. Wait for the marks to appear on (6a to 6c). The images of the marked papers will appear on (6d). Scroll down to check the marking.
5. Press (7) to write the results to the score file.
6. Repeat steps 3-5 for other candidates.
7. After the papers from all candidates have been marked, press [Prepare Zip File] (8) to download the zip file, which contains the score file and the images of the marked papers.
